

WRECK CAUSED BY HEAVY RAIN FALL

**Train Going 30 Miles An Hour
Runs Into Washout.**

PASSENGER AGENT IS KILLED

**He Was Riding on Engine Inspecting
Road—Engineer and Fireman Were
Badly Scalded—Porter Seriously In-
jured and May Die.**

Mobile, Ala., Jan. 13.—Passenger train No. 4, northbound, which left Mobile over the Mobile, Jackson and Kansas City railroad at 6:47 yesterday afternoon, ran into a washout 4 miles south of Beaumont, Miss., and the engine, baggage and passenger coaches were overturned.

General Passenger and Freight Agent L. B. Sullivan, who was riding on the engine, was instantly killed. Engineer W. A. Crawford and Fireman J. Young, negro, both of Mobile, were seriously scalded.

R. G. Boykin, porter, of Mobile, was seriously injured and may die.

Mr. Sullivan was on an inspecting trip over the road and this was the reason he was riding on the engine. He was formerly with the Louisville and Nashville in Cincinnati and Mobile in the capacity of chief clerk in the office of the general freight agent. Four years ago he went with the Mobile, Jackson and Kansas City. He was 32 years old and leaves his mother and a sister in Trenton, Tenn.

After the wreck the remains were carried to Hattiesburg, Miss., and will be brought to this city this afternoon. The wreck was caused by heavy rains that fell yesterday afternoon and last night in that vicinity. The train was going 30 miles an hour.

FOUR CREMATED IN WRECK.

**Freight Train and Switch Engine Col-
lided on Cotton Belt.**

Piggott, Ark., Jan. 13.—Four persons were killed in a rear-end collision between a freight train and switch engine on the Cotton Belt railroad at this place at noon Wednesday. The four who were killed were passengers and were riding in the caboose on the freight train. The caboose was set on fire and the bodies of the victims were burned to a crisp.

The dead:
C. C. Carroll, a traveling salesman, of Waverly, Tenn.

—Poynton, of Greenway, Ark.
J. W. Jinks, a traveling salesman, of Brooklyn, N. Y.

Mrs. Louis Wolf, of Piggott, Ark.
The bodies were burned so badly that they could not be identified, but these four persons were known to be in the caboose and none of them escaped.

SCHOOL BOY COMMITS SUICIDE.

**Student of Military School Crazy by
Homesickness.**

Anheville, N. S., Jan. 13.—The body of O. A. Whitaker, of Paragon, Ind., student at Bingham Military academy, was found today hanging from a tree in Victoria woods.

The coroner's jury returned a verdict of suicide. Whitaker was 22 years old and came to the academy ten days ago. Since his arrival the school authorities state Whitaker suffered from homesickness, and it is thought he committed the deed while under this influence. He left the school at night without permission, and, according to witnesses, was seen pacing the platform of the railway station late in the night.

President Spencer Before Committee.

Washington, Jan. 13.—Samuel Spencer, president of the Southern railway, and authorized to voice the sentiment of the New York Central, Erie, Chicago, Milwaukee and St. Paul and Northern Pacific, Illinois Central, Delaware, Lackawanna and Western and other railway companies, spoke vigorously today before the house committee on interstate and foreign commerce against the Cooper-Quarles bill or any proposition to authorize the interstate commerce commission to fix railway rates. Mr. Spencer is the first direct and official representative of the railways to be heard by the committee, and his testimony is regarded as the keynote of the opposition to the rate-fixing by the government.

Fog Paralyzes Business.

Philadelphia, Jan. 13.—A dense fog thicker than for years, has practically paralyzed the business of this port. A big fleet of steamship and sailing vessels is at anchor in the Delaware. All of the Pennsylvania and Reading railroad's ferryboats are running behind schedules. Land travel is also greatly hindered.

Imperfect Indigestion

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50 cents a bottle. Sold by W. M. Johnson.

A Business Change.

There has been an important business change at Bell, J. T. Knight & Co., having bought the interest of Odem & Wilden, who conducted a general store.

Mr. Knight, in a letter to The Sun, states that he proposes to make a specialty of country produce, and will cater to shipments. The firm is located in the heart of a fine poultry section, where chickens and eggs are plentiful, and hopes to build up a splendid trade.

Found a Cure for Indigestion.

I use Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Exon, Rock Mills, Ala. For sale by all druggists.

PRODUCE AND SAVE YOUR MEAT

For the information of those who desire to have their hog meat cured in our cold storage we recommend the following method of preparation:

As soon as the butchered animal has cooled down, cut up and trim to perfect shape, leaving chine bones on hams, and blade bones on shoulders; salt in the usual manner, using not more than 10 pounds salt, 2 ounces brown sugar, 2 ounces saltpeter and 1 ounce red pepper to each 100 pounds of meat. It should reach the cold storage not later than three days after so prepared. If any additional salt is needed after reaching us, we will supply it. Leave in cold storage 45 to 60 days, according to size of meat. After taking from cold storage wash in warm water and dry, then wrap or sew up closely in muslin, so as to prevent attacks from flies or other insects; hang up and smoke at intervals for three weeks. It will take smoke perfectly through the muslin. Green hickory wood makes the best smoke. When dry, take down and pack in boxes, a layer of oat straw, then one of meat, etc., and you will have as fine meat as can be produced, until following season.

Parties having railroad facilities may with perfect safety ship by freight and have it returned same way. Mark plainly to us and also your name on box or barrel and mail us bill of lading. Freight freight at shipping point. Our charge for storage is one cent per pound for one month. We also wish to buy hog dressed. We solicit patronage in perfect confidence to give entire satisfaction, and feel that our enterprise is of the greatest benefit to the farmer. Yours for home-made meat.
